Data Scientist Project

VIRTUAL STUDENT FEDERAL SERVICE

V S F S

Project Title	Data Scientist Project
Project Summary	Support the Transparency Division of ODNI's Civil Liberties, Privacy, and Transparency group with your Data Science skills.
Country	United States

Project Description

Interns will use their Data Science Skills to help ODNI's Transparency division develop metrics, graphs, and other data science products that illustrate topics of interest in the transparency community. Tasks will include evaluating existing data, and collecting and processing new data to create interesting products that will help the Transparency team illustrate their key points in printed, economic and web-based projects.
